

PORT MAHON, *May 4*, 1817.

SIR:

We, the undersigned, captains and commanders, serving in the squadron under your orders, have heard with deep regret that many of the lieutenants, and other commissioned officers belonging to the vessels under our respective commands, have forwarded to the honorable the Senate of the United States, a memorial which in our opinion is calculated to excite disaffection and insubordination in the navy, and bring into contempt a service heretofore distinguished for its reputation, order, and good government.

The undersigned wish to be distinctly understood, that it is not against petitioning the Legislature for a redress of real wrongs, that we now protest, but against the manner, time, and object of the memorialists, which, if truly represented to us, is as follows:—They complain that they have been oppressed, and require that the 30th article of an act for the better government of the navy should be revised and so amended as to designate particularly the punishment of offenders, and, it is believed, that they even go so far as to threaten that should their imaginary grievance not be redressed, they will resort to their arms for protection. It is also understood that the memorialists have presumed to reflect on the members of two courts martial, composed of officers of long standing in the navy; that their meetings have been held with apparent secrecy, and the memorial studiously withheld from their commanders, who would readily sanction any measure having for its object the good of the service. It cannot be denied that it is the bounden duty of officers, more especially when on a foreign station, to cultivate towards each other the most perfect harmony and good will; but it is the opinion of the undersigned, that the conduct of the memorialists is calculated to have a contrary effect. The undersigned are therefore impelled by a sacred duty we owe our country and ourselves, to request that you will be pleased to remove all those officers from under our respective commands, as soon as the public service will admit of the same, as we cannot but consider the signers of the memorial as having forfeited all claims to our confidence, and their example as endangering the vessels entrusted to our charge.

We have the honor to be, very respectfully, sir, your obedient servants,

WM. M. CRANE,
JOHN ORDE CREIGHTON,
GEORGE W. RODGERS,
THOMAS GAMBLE,
J. I. NICHOLSON,
EDMOND P. KENNEDY.

To ISAAC CHAUNCEY, Esq. *Commodore*
and *Commander-in-chief of the naval forces of the U. S. in the Mediterranean, &c.*
