IRT YOUR MSG, I AM AN EYE WITNESS TO THE AA JET, FLT 77, FLYING AT LOW ALTITUDE DOWN COLUMBIA PIKE ON 11SEP01, AT APPROX 0920. I HAD ALREADY HEARD ABOUT THE 2 JETS HITTING THE WTC IN NY. WHEN I SAW THE AA JET OUTSIDE MY OFFICE WINDOW AT THE NAVY ANNEX, I HAD A BAD FEELING IT WAS GOING TO CRASH. I ALSO HEARD THE JET ACCELERATE JUST AS IT PASSED BY MY WINDOW. W/I SECONDS, I HEARD WHAT SOUNDED LIKE A SONIC BOOM. OUR BLDG WAS EVACUATED, AND I SAW THE PENT ON FIRE.
